TIRES THAT LEAK.

The Morgan & Wright single-tube quick-repair tire must be regarded as a distinct improvement in bicycle tire construction. It has the following advantages:

While punctures in it can be repaired with plugs, or semi-liquid injections, as well as in any other single-tube tire, it can be permanently repaired by using the quick-repair strip inside the tire. See cut No. 1.

By injecting M. & W. quick-repair cement through the puncture, and then pressing down on the tire with the thumb, as in cut No. 2, the repair

strip inside is picked up by the cement, thus closing the puncture, as in cut

The Morgan & Wright single-tube quick-repair tire is guaranteed not porous. This is on account of the way in which it is made. Nearly every rider has heard of tires that "leak like a sieve."

Many tires rot, because water gets into the fabric between the two layers of rubber. The Morgan & Wright fabric is proof against moisture.

Everybody knows how comfortable Morgan & Wright tires are, and yet how seldom they puncture. This is due to the fabric.

Ask any bicycle dealer whether other tires last as long as Morgan & Wright tires. Ask, also, what the, Morgan & Wright guarantee means. Morgan & Wright tires are repaired, free of charge, at the factory in Chicago or at any of the Morgan & Wright free repair shops, located in the principal cities.

N. B .- When you have a puncture, get right off. Riding a tire flat, when it has a tack or nail in it, may damage it considerably.

HOW TO FIND OUT.

Fill a bottle or common glass with urine and let it stand twenty-four hours: a sediment or settling indicates an unhealthy condition of the kidneys. When urine stains linen it is evidence of kidney trouble. Too frequent desire to urinate or pain in the back, is also convincing proof that the kidneys and bladder are out of order. WHAT TO DO.

There is comfort in the knowledge so often expressed, that Dr. Kilmer's Swamp-Root, the great kidney remedy fulfills every wish in relieving pain in the back, kidneys, liver, bladder and every part of the urinary pas-sages. It corrects inability to hold urine and scalding pain in passing i, or bad effects fol lowing use of liquor, wine or beer, and overcomes that unpleasant necessity of being compelled to get up many times during the night to urinate. The mild and the extraordinary effect of Swamp-Root is soon realized. It stands the highest for its wonderful cures of the most distressing cases If you need a medicine you should have the best. Sold by druggists, price fifty cents and one dollar. You may have a sample bottle and pamphlet both sent free by mail. Mention The Paris (Ky) News and send your address to Dr (Ky.)
